

## High School Course Challenge Assessments

### Background

Course challenge is a program that allows senior high school students to challenge the expectations for the course by participating in a formal assessment process, rather than taking the course. Course challenge is for students who believe that they already possess the expected knowledge, skills, and attitudes as defined by the Program of Studies for a given course.

### Guidelines

#	Procedures	Roles and Responsibilities
1	High school principals shall become familiar with Alberta Education procedures governing course challenge assessments and advise students of the possibility of challenging a course if they have the knowledge, skills and abilities.	Principals
2	Course challenge assessment opportunities may be provided in January and June of each school year.	Principals
