Management's Responsibility

To the Members of Kee Tas Kee Now Tribal Council Education Authority

The accompanying financial statements of Kee Tas Kee Now Tribal Council Education Authority are the responsibility of management and have been approved by the Board of Trustees.

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Kee Tas Kee Now Tribal Council Education Authority Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial statements. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Council is also responsible for recommending the appointment of the Nation's external auditors.

MNP LLP is appointed by the Members to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

December 14, 2023

Superintendent

To the Board of Trustees of Kee Tas Kee Now Tribal Council Education Authority:

Opinion

We have audited the financial statements of Kee Tas Kee Now Tribal Council Education Authority (the "Organization"), which comprise the statement of financial position as at August 31, 2023, and the statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at August 31, 2023, and the results of its operations, changes in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of these financial statements

Kee Tas Kee Now Tribal Council Education Authority

Notes to the Financial Statements

For the year ended August 31, 2023

1. Operations

The Kee Tas Kee Now Tribal Council Education Authority (the "Organization") is located in the province of Alberta, and has a mandate to negotiate and manage funding for education and schools for its five member First Nations: Woodland Cree First Nation, Whitefish Lake First Nation, Loon River First Nation, Peerless Trout First Nation and Lubicon Lake Band (the "member Nations").

2. Significant accounting policies

These financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of CPA Canada and include the following significant accounting policies:

Basis of presentation

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

Revenue recognition

Government Transfers

The Organization recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the Organization recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

Other Revenue

Other revenue is recognized when an amount is agreed, all significant contractual obligations have been satisfied, and collectability is reasonably assured.

Cash and cash equivalents

Cash and cash equivalent include balances with banks and short-term investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

Segments

The Organization conducts its business through the following reportable segments:

- Instructional Services
- Plant Operations and Maintenance
- Student Transportation
- Board & System Administration
- External Services
- Teacherages

These operating segments are established by senior management to facilitate the achievement of the Organization's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed above.

Kee Tas Kee Now Tribal Council Education Authority

Notes to the Financial Statements

For the year ended August 31, 2023

2. Significant accounting policies *(Continued from previous page)*

Tangible capital assets

Tangible capital assets are initially recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset.

Amortization

Tangible capital assets are amortized annually using the following methods at rates intended to amortize the cost of the assets over their estimated useful lives.

In the first year of acquisition, amortization is calculated at one-half of the annual rates.

	Method	Rate
Buses	declining balance	30 %
Vehicles	declining balance	30 %
Furniture & Equipment	declining balance	20 %
Buildings	declining balance	4 %
Computer Equipment	straight-line	5 years

Long-lived assets

Long-lived assets consists of tangible capital assets with finite useful lives. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The Organization performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying amount of an asset, or group of assets, may not be recoverable. Impairment losses are recognized when undiscounted future cash flows from its use and disposal are less than the asset's carrying amount. Impairment is measured as the amount by which the asset's carrying amount exceeds its fair value. Any impairment is included in surplus for the year.

Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets and expenses that have been prepaid.

Net financial assets (net debt)

The Organization's financial statements are presented so as to highlight net financial assets (net debt) as the measurement of financial position. The net financial assets of the Organization is determined by its financial assets less its liabilities. Net financial assets is comprised of two components: non-financial assets and accumulated surplus (deficit).

Measurement uncertainty

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability. An appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful life of tangible capital assets. Deferred revenue is based upon estimates of expended amounts and amounts required to complete specific projects. Related party transactions are stated after consideration of their valuation.

These estimates are reviewed periodically and, as adjustments become necessary, they are reported in operations in the periods in which they become known.

Kee Tas Kee Now Tribal Council Education Authority

Notes to the Financial Statements

For the year ended August 31, 2023

3. Related party transactions

The Organization is controlled by Whitefish Lake First Nation, Woodland Cree First Nation, Loon River First Nation, Peerless Trout First Nation, and Lubicon Lake Band (the "member Nations"). These five First Nations also control Kee Tas Kee Now Tribal Council and Kee Tas Kee Now Child and Family Services. The amounts due to/from these related parties are non-interest bearing, unsecured and due on demand. Advances to these related parties are unsecured, non-interest bearing and repayable on demand.

During the year, the Organization incurred expenses totaling \$2,929,923 (2022 - \$3,072,102) to its member Nations and organization. These transactions were recorded at the exchange amount, which is the amount of consideration exchanged and agreed to by both parties.

Included in accounts payable is \$nil (2022 - \$8,272) owing to its member Nations.

Cash flows related to advances to (from) related parties have been presented on a net basis as it is impracticable for management to determine the gross cash receipts and repayments.

4. Deferred revenue

	2023	2022
Indigenous Service Canada - (Q36R Reno/Additions <1.5M)	159,980	-
Indigenous Services Canada - REA Transitional	-	248,331
