

Supporting Student Mental Health

Counselling with a Registered Psychologist is available for KTCEA students.

Confidential support and counselling are available on **Mondays** for K-12 students.

- The sessions are with Angela Romaine, a Registered Psychologist who has extensive experience working with children and youth.
- Counselling is done by phone or video and requires parent/guardian consent.
- To book an appointment, **contact Angela Romaine at (403) 891-2349** or call your school.

This service is available every Monday until June 27, 2022.

Alternate days may be arranged upon request.

Angela Romaine, M.Sc., Registered Psychologist High Integrity Psychology

Angela has been practising as a Registered Psychologist for children and youth since 2012. Originally from Nova Scotia, Angela has experience working with Indigenous populations, and with children and adolescents with neurodevelopmental, behavioural and social-emotional challenges.

She specializes in educational assessment for issues including cognitive delays, learning disorders, giftedness, behavior challenges, ADHD, Autism and mood concerns such as anxiety and depression.

Angela uses evidence-based approaches and techniques in both assessment and treatment to support children and their families struggling a variety of concerns. She also has training in play-therapy and integrates this approach in treatment.
